

Northmont Band Boosters 2017 Marching Band Financial & BSE Agreement (FA)

Membership in the Northmont Marching Band (which includes all playing members, color guard, percussion and front ensemble) requires both a financial and work (BSE) commitment from parents/guardians and student members. Without this two-tiered approach, Northmont Band Boosters would not be able to finance Marching Band activities, as Northmont City Schools provides only limited financial support to the program.

BSE Requirement:

The NBB utilizes a two-tiered approach to finance the various Northmont Band Programs. One tier is through fees, which can be offset by a variety of fundraising opportunities are offered throughout the year. The second tier is through **Booster Supported Events (BSEs)**, which requires a sweat equity/work commitment by Booster members and students to supplement the Booster organization’s General Fund as a whole and reduce out-of-pocket fees. For example, the Northmont Band Boosters are contracted with the Athletic Department to run the concession stand for all Good Samaritan stadium events. In addition, there are several other BSE events where the Booster members are needed to volunteer their time to work shifts so that the Booster organization earns needed funding. For those Booster members who have challenges participating in the BSEs, we would encourage you to enlist the support of other family members or friends to work the BSEs or contact a Booster board member to discuss options.
